

Idiom

Idiom: A phrase or expression that means something other than its literal meaning

Poem Example:

Every Cloud Has A Silver Lining:

*I've looked up to the sky,
Counted all the clouds with a silver lining,
There are none.
Not one single trace of silver in the grey.*

Absence Makes The Heart Grow Fonder:

*I left my heart alone,
My absence was present,
Yet...
Fonder, it did not grow.*

Actions Speak Louder Than Words:

*I asked my actions,
In hushed tones,
How loudly they could speak.
I recieved no reply.*

All Roads Lead To Rome:

*Jumping into a taxi,
The driver asked me where to go.
Rome.
Roads don't carry overseas.*
